● We appreciate your patronage and hope you will stop again on your way through our Town.

We hope your journey will be safe.
As you motor to your goal
Stop—Read as once was told.

What's all the hurry?
Why burn up the street?
Just step on the gas,
And satan you'll meet.

You think you act smart
By speeding ahead,
But d'youthink how you'll look
Stretched out on a bed?

Better go slower,
Even though late,
At least you'll be sure
Of keeping that date.

As you start in your car
Keep this in your head
The faster you drive,
The sooner you are dead.

Thank You,
